Overload Guitars

YUREI Quote Form 2026-27

This is your instrument order quote form.
Please, read it carefully, check the boxes with the options you need and upload it in the ordering form of the **ORDER NOW** page or send it to us at: **info@overloadguitars.com**

Once we agree about all the specifications we will require 50% of the total price amount as deposit then the final 50% before shipment. Our standard payment methods are bank transfer and PayPal, all the prices are VAT free and every additional bank fee will be covered by the customer.

The delivery time of the instrument is about 6 months from the deposit payment receipt and it is non-refundable after two weeks from that date.

We'll try our best to keep you updated on the building process with photos and videos.

DHL Express is our standard worldwide shipping method and the shipping costs to the customer address will be calculated at the delivery moment.
