OUR VOLUNTEERS

The summer heat of 2026 has done little to deter our network of volunteers, who have continued to drop by our offices for a visit – made all the more special by the presence of the youngest members of our community. Today, 86 volunteers are part of the Monnalisa Foundation's network, women and men who day by day devote their time to to the Foundation's solidarity and inclusion projects, both in Tuscany and in Umbria. A network of people whose commitment makes our daily activities at the Charity Points possible, working alongside young people with neurodivergence.

MOVING!

Summer 2026 also marked the relocation of our offices to the Arezzo Fiere complex, a prestigious new location that remains within the institutional area while offering convenient access, logistics and parking facilities.

The new premises feature meeting rooms, a reception area and a welcoming space where we can reconnect with "colleagues" we have known since the days of the Export Consortia.

New building, same address: Via Spallanzani, 23.

HOMEWORK ASSISTANCE

In August we held 2 meetings with the lively group constisting of 14 retired teachers and 2 students from the Faculty of Education in Arezzo who came together to set up a free after-school programme for 20 children from the multicultural Saione neighbourhood.

We have now reached the fifth year of the project, with a significant increase both in the support provided by our volunteers and in the number of requests from users. The high demand has resulted in a waiting list for those wishing to join the programme.

The project will resume with the start of the new school year on 15 September, running from Monday to Friday, from 4:30 to 6:00 p.m.

DONATION

Thanks to the remarkable work carried out at the Rassina Charity Point in Casentino, we were also able to purchase a new gazebo for the benefit of the guests of the local Alzheimer's centre. Our partner, "Amici del Carnevale di Rassina", brought this worthy cause to our attention as a way of supporting the local Casentino community.

5x1000 TAX DESIGNATION

On 14 August, the Italian Revenue Agency transferred to us the Foundation's 5×1000 tax donation for the 2025 tax year. Although the amount may not be substantial for the Foundation, it represents a valuable contribution from the many stakeholders that the Monnalisa Foundation has built relationships with across Italy.

A small gesture of support and solidarity.
