BOCA DOC "ANTONIO CERRI" 2018: We have been waiting a long time for this wine. After 20 years, the vineyards have matured and the grapes allow for wines of a completely different quality. After 5 years in the barrel, this extraordinary wine is now available for sale. The grapes come from the old vineyard of Antonio Cerri, our great example, which was partially renewed in 1998 and to whom we now dedicate this wine. 2018 was an exceptional year, and although the "normal" Boca turned out wonderfully, this wine sets completely new standards with its depth and complexity. It combines the silkiness typical of Boca with a velvety texture that is only found in the world's greatest wines. This wine will be able to age for decades. It is already clear that this wine will be rare, especially as it is not yet certain whether we will be able to produce it again by 2025. Unfiltered. 2,000 0.75l bottles. 600 magnums.

BOCA DOC 2020: While the magnificent 2021 vintage matures for another year in the barrel, we are once again offering the wonderful and classic Boca 2020, a wine full of energy and freshness, complex and well-structured, a wine for the coming decades. The juicy fruit combines with a long, mineral finish. Unfiltered. 16,000 0.75l bottles. 840 magnums.

MIMMO Vino Rosso 2023: We have slightly modified and improved this wine by increasing the proportion of Nebbiolo to 85% and reducing Croatina to 10% accordingly. Vespolina still accounts for 5%. In this form, the wine will now also carry a DOC designation, coming onto the market as Colline Novaresi Nebbiolo, which should also facilitate sales. The wine is becoming finer and more elegant, approaching an earlier drinkable Boca. It displays delicate berry fruit with a floral, fragrant character. Silky and complex on the palate with a long finish. Aged for two years in wooden barrels. 16,000 bottles, 180 magnums.

LA MAGGIORINA Vino Rosso 2022: Here too, we are waiting for 2023 until next year and will then offer this outstanding, completely redefined wine again. As in the first years of Le Piane, it comes exclusively from the old 'Maggiorina' vines, consisting of 13 different grape varieties (red and white), and is left to mature for two years in large wooden barrels. Powerful with dark, concentrated fruit, full-bodied and juicy, this wine is a potpourri of dark berries and cherries, undergrowth and great spice, making it a perfect accompaniment to all kinds of hearty dishes. In this form, it embodies the old Boca with its great character like no other wine and gives the Maggiorina system, with its expensive manual care, its true value. 10,000 bottles, 120 magnums.

PIANE Vino Rosso 2023: We are waiting until next year for this wine, as it is still maturing in the barrel.

NEBBIOLO COLLINE NOVARESI DOC 2024: We wanted a fresh Nebbiolo that embodies northern Piedmont: fresh, with a bouquet of berries and flowers, racy on the palate and smooth on the finish. We have achieved this again with the 2024, and the bottle will be emptied faster than you can imagine. Can be drunk at a slightly lower temperature (16°C). This wine has definitely become our entry-level wine. 34,000 bottles.

BIANCO Vino bianco 2024: A wonderfully harmonious vintage with floral notes, ripe fruit aromas of pears and alpine flowers. Its minerality makes it long-lasting and suitable for many dishes. With only 13% alcohol, it is lighter and more drinkable. Our white wine is extremely popular and therefore sells out quickly. 16,000 bottles.
