CORAL

CAMICIAI DAL 1964

ITALIAN SHIRT
MANUFACTURER

PRIVATE LABEL & CUSTOM
SHIRT PRODUCTION

Made in Italy - Since 1964

WHO WE ARE

Coral is an Italian shirt manufacturer founded in 1964, with over six decades of experience in shirt production.

We specialize in high-quality shirts combining Italian craftsmanship and historic technical expertise.

Based in Italy, we work with international clients to develop and produce shirts according to their specific requirements building long-term partnerships based on reliability, flexibility and attention to details.

SINCE 1964

Over six decades of experience

MADE IN ITALY

Italian manufacturing

INTERNATIONAL PARTNERSHIPS

Working with clients worldwide

WHAT WE DO

SHIRT MANUFACTURING

We develop and produce different types of shirts including:

DRESS SHIRT

Timeless style and versatility

CASUAL SHIRT

Contemporary style
for everyday wear

DENIM SHIRT

Quality and character in
every detail

PRIVATE LABEL & CUSTOM SHIRTS

We develop shirts according to each client's specific requirements from individual styles to complete private label collections. Our flexible approach allows us to adapt fit, fabrics, details and construction to the needs of each project.

YOUR BRAND. OUR SHIRTMAKING EXPERTISE.

DETAILS & QUALITY

Every shirt is developed with careful attention to fabrics, fit, construction and finishing.

Quality control is carried out throughout the production process to ensure consistency and high standards at every stage.

FABRICS

Careful attention to fabric selection and quality

FIT

Development focused on measurements, proportions and comfort

CONSTRUCTION

Technical expertise and attention to garment construction

QUALITY CONTROL

Quality checks throughout the production process

OUR APPROACH

FROM DEVELOPMENT TO PRODUCTION

We work closely with our partner throughout the entire process, from the initial idea to the final product ensuring a flexible and collaborative approach

01 SPECIFICATIONS

We start from your requirements, designs and technical specifications

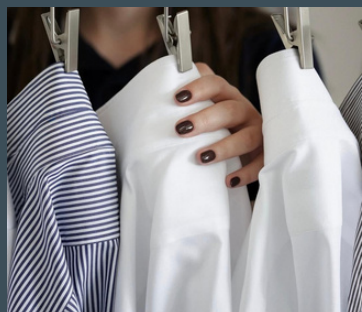

02 FABRIC

Our clients may work with their own fabrics or select from our fabric proposal

03 SAMPLING

We develop samples to define and approve the final garment

04 PRODUCTION

Once approved, production is carried out according to the agreed specifications and quality standards

FLEXIBLE PRODUCTION

Minimum order quantities are defined per style.

We adapt to the needs of each project, offering a reliable and collaborative partnership.

LET'S WORK TOGETHER

Looking for an Italian partner for your next shirt collection?

Whether you are developing a new collection or looking for a reliable manufacturing partner, we would be pleased to discuss your project and requirements
